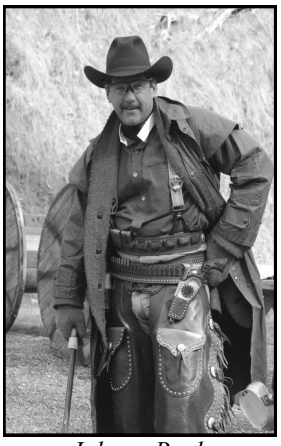
Time for "Westmatch XXII" "SASS Washington State Championship."
You are cordially invited to "Out of Nevada"
The Saga Continues



Johnny Buck

Rolling into year number two it promises to be as exciting and challenging as last year. This year's theme is "Out-of-Nevada." We have designed 10 states to be represented in the match this year.

Each stage will have it's own unique shooting scenario along with a bit of history of the state and a story about a famous gunslinger, bank robbery, brothel (yup), or train robbery that happened straight out of the chronicles of the old west! One of the biggest noteworthy changes this year is that there will be NO Nevada sweeps in the entire match with the exception for the stage from the state of Nevada. But don't worry we are not going to baffle you with anything you have not seen before! Our stage designers have been working hard behind the scenes to make this a "shooter friendly" and enjoyable state championship match! So strap on your guns, polish your spurs, saddle your horse and amble on up to RUCAS territory for what promises to be an exciting match!

Match Information:

This is a Total Time match, and we will not have stationary R.O.'s., but will have a Berm Marshal for every couple of stages, with an experienced Posse Marshal traveling with the Posse.
