

October 3rd 2015 meeting minutes:

We had twelve people attend.

The theme for 2016 Westmatch will be:
Westmatch XXV - The Silver Anniversary
Silver has been discovered at RUCAS Territory.

Wayne McCann – Moe MacDandee, will be Match Director
Kevin Michellich – Margarita Villain, will be Assistant Match Director.

Wayne will be summarizing the emails with comments about last year's match.
These will be included with a questionnaire to help us learn the good and the bad from 2015.
Included in the questionnaire will be whether or not you would like it to be a State Championship.
We would like to have these back before the December meeting.

We will have berm marshals, and are looking for trained people to keep the stages consistent.
We are going to appoint committees (likely to be, stage design-flow, side Matches, entertainment, food, awards, etc.) to help facilitate more-small meetings vs long big meetings.
We will look at online registration and payment options.
We will likely go back to using the Rifle range for a stage.
Side match maps will be available in the packet, and around the range.
A timeline for when responsibilities are to be completed

We need volunteers. Please let us know if you can help, include any preference on where you can help.
Stage designers, advertising and promotion, scoring, match book, side matches, speaker, stage review, food, name badges, awards, t-shirts, pictures, church, entertainment, parking, Monday cleanup.

Anyone can submit as many stages as you would like. You do not have to be a RUCAS member to submit a stage. If you would like to design a stage, please submit it before the December meeting so we can narrow the stages down for this event.

The next Westmatch planning meeting is to be held after the Sunday December 6th monthly shoot.

Thanks

Margarita Villain - Kevin Michellich
Moe MacDandee – Wayne McCann
